

LBC Catering Services School Meals Debt Policy

LBC Catering Services has a 'no debt' policy relating to school meals.

It is appreciated there will be occasions when dinner money is not presented in advance of meals being taken, i.e. a parent/carer has forgotten to add money to an account resulting in a temporary lack of funds.

A debt policy is proposed to reduce the level of debt but maintain a sympathetic approach to temporary non-payments.

If debts occur, the school budget has to pay for them, which means money that should be spent on children's education is used to pay debts incurred by parents. Every parent will agree this is unacceptable and we request all parents give this policy their full support.

School lunches must be paid for in advance using any of the payment methods below:

Cashless Schools:

- Online www.allpayment.net
- Telephone 0844 557 8321
- Allpay Payment App Download from Apple App or Windows Phone
Google play store.
- Any PayPoint or Post Office

Children will not be provided with a school meal unless it is paid for, except those entitled to Free School Meals or Universal Infant Free School Meals.

If a parent/carer forgets to pay in advance:

- the school may grant a debt allowance, this is the individual school Headteachers decision
- the debt on the child's account, including any meals that the school have been responsible for must be paid the next day and any future meals must be paid in advance before any meal is provided
- If the debt is not cleared, parents must provide a packed lunch
- If the debt remains unpaid after 7 days, LBC will use all legal means to recover this debt in line with Council procedure.

We hope that by implementing this debt policy, we are able to help parents manage school dinner money better and ensure that all money that is for children's learning is available.

If you have any concerns please do not hesitate to contact the kitchen manager at the school.
